ABOUT MSRIT

DR. M.S. RAMAIAH

Dr. M.S. Ramaiah,
FIAE (1922 – 1997)
'A True Karma Yogi'

Dr. M. S. Ramaiah a philanthropist, founded 'Gokula Education Foundation' in 1962 with an objective of serving the society.

M S Ramaiah Institute of Technology (MSRIT) was established under the aegis of this foundation in the same year, creating a landmark in technical education in India.

MSRIT offers 18 UG programs and 15 PG programs. All these programs are approved by AICTE. All eligible UG and PG programs are accredited by National Board of Accreditation (NBA). The institute is accredited with 'A+' grade by NAAC in March 2021 for 5 years. University Grants Commission (UGC) & Visvesvaraya Technological University (VTU) have conferred Autonomous Status to MSRIT for both UG and PG Programs since 2007.

As per the National Institutional Ranking Framework (NIRF), MoE, Government of India, MS Ramaiah Institute of Technology has achieved 75th rank among 1584 top Engineering Institutions & 31st Rank among 131 Schools of Architecture in India for the year 2026.

CHIEF PATRONS

- Dr. M.R. Seetharam, Chairman, GEF
- Sri. M.R. Janakiram, Vice-Chairman, GEF
- Sri. M.R. Anandaram, Secretary, GEF
- Sri. M.R. Sampangiramaiah, Director, RIT
- Sri. M.R. Kodandaram, Director, RIT
- Dr. Parswanath, Chief Executive - GEF (Engg.&GS)
- Dr. Karisiddappa, Chief Academic Advisor - GEF (Engg.&GS)
- Sri. G. Ramachandra, Chief of Finance - GEF (Engg.&GS)

ADVISORY COMMITTEE

- Dr. B. Sathish Babu , Principal, RIT
- Dr. G. M. Madhu, Vice Principal, RIT
- Dr. Chandra Prabha M N, Vice Principal, RIT
- Dr. Archna, Registrar (Academics), RIT

CONVENERS

- Dr. R China Appala Naidu, HoD, Department of Computer Science and Engineering
- Pradeep Kumar D, Department of Computer Science and Engineering

ABOUT CODERIT

CodeRIT is the official coding club of Ramaiah Institute of Technology, affiliated with the **Computer Science and Engineering** department and one of its most active technical communities. Through flagship initiatives like **wHACKiest** and **22 Yards of Code**, featuring hackathons, coding contests, quizzes, and Capture the Flag battles, the club brings together technology, creativity and problem solving. It also conducts hands-on workshops on web development and resume building, while providing opportunities for peer discussions and guidance from seniors on ICPC, placements, emerging tech trends, industry requirements and essential tools. CodeRIT fosters a culture of learning, collaboration and innovation, nurturing technical talent and creating impactful experiences within the tech community.

VISION

Creating a Community of enthusiastic coders with holistic development of how to approach a problem, problem solving and logic building.

MISSION

Aims to establish a coding culture on campus, reaching every student passionate about coding. The club's motto is to Create-Build-Innovate-Solve.

ABOUT THE EVENT

wHACKiest

- wHACKiest 2026 is CodeRIT's flagship 24-hour hackathon at Ramaiah Institute of Technology, Bengaluru, bringing together undergraduate students from across India to solve real world challenges through technology.

- In an intensive 24-hour sprint, teams ideate, develop, test and pitch functional prototypes, demonstrating technical expertise, creativity and practical problem solving.

- The hackathon fosters experiential learning, teamwork and technical excellence while creating opportunities for industry engagement, mentorship and real world technology application.

wHACKiest 2025

CodeRIT's on-campus hackathon drew a packed house

The Legacy Of wHACKiest

3000+
Participants
Across previous editions

1000+
Teams
Student teams competing

1000+
Projects Built
Ideas developed into prototypes

20+
Industry Partners
Sponsors, mentors and collaborators

OBJECTIVES & TIMELINE

OBJECTIVES

- **Drive Innovation:** Encourage students to develop practical, technology driven solutions to real world challenges.
- **Bridge Academia and Industry:** Create opportunities for industry collaboration through mentorship, technical expertise and real world problem statements.
- **Empower Emerging Talent:** Foster technical excellence, teamwork and entrepreneurial thinking while enabling students to turn ideas into impactful prototypes.

TIMELINE

PROBLEM STATEMENT RELEASE

Participants explore challenges and identify problems to solve.

IDEATION & PROPOSAL

Teams develop ideas and submit proposals for evaluation.

SHORTLISTING

Proposals are evaluated, and selected teams advance.

24-HOUR BUILD SPRINT

Teams build and test functional prototypes in 24 hours.

PROJECT DEMONSTRATION & EVALUATION

Teams present their solutions for judging and awards.

PARTNERSHIP OPPORTUNITIES

At wHACKiest 2026, sponsors become more than supporters. They become enablers of innovation. Partner with us to connect with emerging tech talent, strengthen your brand presence and help shape solutions to real world challenges.

1. CONTRIBUTE TO THE PRIZE POOL
Contribute to the wHACKiest prize pool to reward exceptional ideas and celebrate innovative, real world solutions.

2. BRING YOUR OWN PROBLEM STATEMENT
Share a real world industry problem statement for participants to tackle through creative thinking, technical innovation and practical prototypes.

3. JOIN AS A JUDGE OR EVALUATOR
Bring industry expertise to the evaluation process by reviewing projects, assessing innovative ideas and sharing constructive feedback.

4. CONNECT WITH EMERGING TALENT
Engage with promising student developers through project showcases, technical interactions and potential internship opportunities.

THE VALUE OF PARTNERSHIP

Partnering with wHACKiest 2026 offers an opportunity to connect with emerging talent, encourage practical innovation and engage with the next generation of technology leaders. Together, we can create meaningful experiences that bridge industry and academia.

Brand Visibility & Recognition
Showcase your brand across selected event banners, digital promotions, social media, website and on stage acknowledgements.

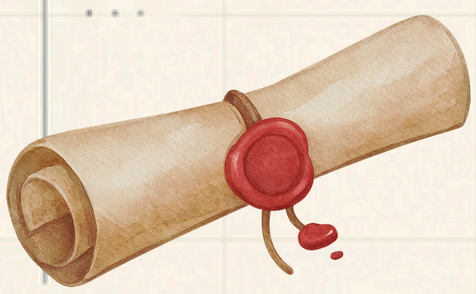
Access to Emerging Talent
Engage with aspiring developers through project showcases, technical interactions and voluntary career conversations.

Sponsored Challenges & Awards
Associate your organisation with a challenge track, special award or prize that recognises outstanding technical solutions.

Technology & Product Showcase
Introduce your tools, platforms or products through demonstrations, workshops and on-site engagement opportunities.

Direct Industry Engagement
Participate as judges, mentors or speakers, sharing expertise and connecting with student innovators.

SPONSORSHIP STRUCTURE



wHACKiest 2026 offers brands an opportunity to connect with student developers at a 24-hour national-level hackathon hosted by Ramaiah Institute of Technology. Our sponsorship tiers provide opportunities to strengthen brand visibility, engage with emerging tech talent, and build meaningful connections with the developer community.

TITLE SPONSOR

Maximum brand visibility, premium logo placement, stage recognition, and opportunities to mentor and evaluate teams.

PLATINUM SPONSOR

Prominent brand placement, event recognition, and opportunities to mentor participants and evaluate projects.

GOLD SPONSOR

Brand visibility through event materials, with opportunities to mentor teams and evaluate projects.

Sponsorship deliverables and engagement opportunities vary by tier and will be detailed in the sponsorship agreement.

REGISTRATION

- Open to all undergraduate students.
- Each team must have 2-4 members. No individual can be part of more than one team.
- Teams must consist of students from the same college, but can include students from different year groups or branches.
- The problem statement release will be conducted online, and shortlisted teams will continue to the offline hackathon.
- All participants must carry their college ID cards to the venue.
- All participants must follow a code of conduct that promotes a positive and inclusive environment.
